

Dear Campers,

Thank you for your patience and understanding.

- As of 6/30/20, San Juan County has not been approved to move to Phase 3, therefore we are unable to reopen at 100% capacity at this time. We will reopen at 50% capacity on 7/1/20 until further notice.
- If you have a reservation for a site that has been closed during the time that we will be operating at 50% capacity, you will receive a 100% refund that will be processed through the Parks and Fair admin office automatically. Please allow time for refunds to be processed, as we have limited staffing.
- If you decide to cancel your reservation for a site that is open during 50% capacity, our current cancellation policy will apply.
- Per our camping policy, reservations cannot be transferred to future dates nor transferred to open sites. You can make a new reservation on-line at our website, [www.sanjuanco.com/parks](http://www.sanjuanco.com/parks).
